Dear Mr. Schoenman:

Thank you for your reply of July 18.. However, it does not let me know whether or not, in fact, Lord Russell received the copy of my book, WHITEWASH: THE REPORT ON THE WARREN REPORT, which I mailed to him in Wales in early May. If he has not, my agent, Mr. Gordon Harbord, 5 3, St. Martin*s Lane, London, WC2, can provide him with a copy.

Regardless of any opinion he may have of Lane*s book and Trevor-Roper's introduction, I hope he will have the time to read mine and may thereafter feel impelled to lend it whatever assistance he might feel is justified and within his capabilities.

Sincerely yours,

Harold Weisberg
